Subject: Dale Rodgers Processing Site, Beaver County, Utah

Dear Mr. Schoo:

You contacted the Division about a site west of Milford, Utah owned and operated by Mr. Dale Rodgers. After investigating the site, the Division has determined that it is an off-site processing facility and, as such, is not permitted by us at this time. After our phone conversation on November 9, 2004, I agreed to send you this letter stating our position.

If there is anything else I can do to assist you, please do not hesitate to call me at 801-538-5321.

Sincerely,

A handwritten signature in black ink that reads "Tom Munson".

Senior Reclamation Hydrologist
